## The QUALITY HOUSE

Buy Your Wines of a Wine Merchant Who Intimately Knows Their Nature.

Exceptional Values in  
Three Foreign Clarets.

That in Christian Xander's immense stock of (now 310 different) beverages none find admittance but the truly best and faultless ones that exist is a well-known fact. Among the 54 standards of domestic and imported Clarets, all of them carefully selected and, as to prices, strictly graded according to quality, three salient ones deserve particular attention. Two of these, bottled from the Bordeaux barriques, in which they were imported, are:

ST. JULIEN—At \$4 doz. qts., \$4.50 the 24 pts.; 40c. qt., 25c. pt.  
MEDOC—At \$6 doz. qts., \$6.50 the 24 pts.; 60c. qt., 35c. pt.

Pleasing every palate, they bear advantageous comparison with much higher priced Bordeaux imported in the bottle.

The third wine of acknowledged merit is the Castilian—RIOJA CLARET—At \$6 doz. qts., \$6.50 the 24 pts.; 60c. qt., 35c. pt.

The Paris 1904 Exposition Jury honored this Spanish Claret with the "Grand Prix," and it has since its introduction here by the sole distributor, Christian Xander, made rapid strides of acceptance by clubs and hundreds of families, who have adopted it as superior to many considerably more expensive French Clarets.
